Troop 222

Project Hours 175.50

Board of Review

**EAGLE PROJECT** My project was to create a trailhead on Locksley Road for the trails that run along the stream. We cleared brush from the site area, constructed and installed picnic tables, erected a fence along the border, and planted trees, shrubs, and flowers, along the border of the site area.

**SCOUTING ACHIEVEMENTS** Troop Guide; OA

**FUTURE AMBITIONS** My future plans include to attend university, where I hope to double major in systems engineering and economics. My personal goals include to better myself and others through service, and to continue including the ideals of Scouting in my everyday life.
