Board of Review 05/12/16

EAGLE PROJECT I lead eight Scouts and sixteen adults through eleven 30 minute interviews of veterans of the US military and civilians contracted. If a person fell within one of the many required dates they could be interviewed. I asked a variety of questions, but followed the general script laid out by my beneficiary, the Library of Congress. After all the interviews had been accepted, I gave a copy of video to the veteran I interviewed.

SCOUTING ACHIEVEMENTS Webmaster, Troop Guide, PL, APL; OA Brotherhood; Jamboree 2013, Philmont

FUTURE AMBITIONS I plan to finish high school and go onto college. I hope to major in one of the STEM fields. I also might try and get involved with research and politics.
