**EAGLE PROJECT** I worked for Marsh Creek State Park doing 3 different projects. 1. Closed unofficial trails with deadfall and loosened soil to promote regrowth of natural plant species. 2. Blazed the official trail in that area of the park. 3. Build a kiosk at the Chalfant Road entrance to the park replacing the small notice board.

**SCOUTING ACHIEVEMENTS** SPL, ASPL, PL, APL, Scribe, Librarian, Instructor; OA Ordeal; NYLT; Maine High Adventure

**FUTURE AMBITIONS** I intend to go to college for mechanical engineering. I would like to use my educational strengths to help people, therefore, having a career in robotics for prosthesis purposes may be my ultimate career choice. Personally, I would like to get married and start a family. I would also like to support Boy Scouts as an adult in some capacity.
