EAGLE PROJECT In order to provide much needed storage space, I refurbished the three-room area underneath the outdoor stage near the Freedoms Foundation Medal of Honor Grove. I removed the sinks, mirrors, toilets, and stalls from two of the three rooms, cleaned up the old, chipping paint, and repainted the walls and ceilings to create a functional storage area.

SCOUTING ACHIEVEMENTS Den Chief, Troop Guide; OA Ordeal; ILST, NYLT; Triple Crown Award: Sea Base Bahamas, Northern Tier Okpik, Philmont; Troop 73 2015 Honor Scout Award

FUTURE AMBITIONS I plan on attending a Catholic college and earning at least a bachelor's degree in physics.
