

WILLIAM B MCGOWAN

Troop 56

Project Hours 122.00

Board of Review 07/26/16

EAGLE PROJECT My project consisted of installing floodlights in the Downingtown Area Veterans Memorial. This project benefited Downingtown Area veterans. My project illuminates the front granite piece of the memorial, which shows the five branches of the military as well as the title, "Downingtown Area Veterans Memorial." The purpose of my project was to show recognition as well as raise awareness to those who made the ultimate sacrifice for our country.

SCOUTING ACHIEVEMENTS OA; NYLT, NYLT Leadership Academy; Sea Base

FUTURE AMBITIONS After high school I plan to attend college and major in political science with a minor in history or economics. After college I want to get involved in local politics and eventually become a politician at the national level.

Eagle Project
