Project Hours 170.00

Board of Review 04/19/16

**EAGLE PROJECT** I took old computers from the Rothman Institute in Philadelphia and restored them. I wiped the hard drives clean and put a new Windows operating system on them. After that I donated them to organizations in Philadelphia.

**SCOUTING ACHIEVEMENTS SPL**

**FUTURE AMBITIONS** Education at Brigham Young University-Idaho. I will be studying mechanical engineering and plan on getting a job in that field in the future.
