EAGLE PROJECT In order to make the Edith P. Moore Schoolhouse in Uwchlan more appealing, I fixed it up and made it more attractive with the help of friends. This included removing overgrown flower beds, installing benches and repainting many structures on the site.

SCOUTING ACHIEVEMENTS NYLT, NYLT Staff, NYLT Senior Staff, NYLTLA, OA Brotherhood; Triple Crown; Den Chief Training; Horseshoe Cit, Silver Buckle

FUTURE AMBITIONS I'd like to either major in engineering or some type of business in college, I'm not sure beyond that. I'll have to figure it out.
