

DANIEL F LUTZ

Troop 30

Project Hours 396.00

Board of Review 01/20/16

EAGLE PROJECT I chose to support the Sunday Breakfast Mission (SBM) in Wilmington, DE for my Eagle Scout project. SBM is a local homeless shelter that provides food, lodging, substance abuse training, and emotional health services in Delaware. I adapted and renovated one of the run down residential rooms. I cleaned, repaired, and painted a resident's room, and then refitted it with new furniture.

SCOUTING ACHIEVEMENTS PL, APL; Jamboree 2013

FUTURE AMBITIONS I plan to go to college to earn a degree in engineering or physics. Upon earning my undergraduate degree I will most likely pursue a graduate degree in a more specific field of study. In the workplace, I hope to work with a team of inventors to discover new ways to improve society through some area within the STEM field.

Eagle Project
