

DANIEL S BROWN

Troop 78

Project Hours 75.00

Board of Review 02/16/16

EAGLE PROJECT I constructed a labyrinth for the Chester County Youth Center on Wawaset Rd. It is going to be used as a place for small groups of teens living there to contemplate and wind down. Two benches were made and put in the center of the labyrinth. Two garden beds were dug out, planted, and mulched in the two far back comers of the area I was given.

SCOUTING ACHIEVEMENTS ASPL, PL; OA; Den Chief Training; Philmont, Algonquin Provincial Park, Kanderstag International Scout Centre

FUTURE AMBITIONS I plan to attend a 4-year college that is most likely liberal arts. I want to continue my rugby career at a high level so it will probably be in the Northeast. Post-college, I see myself in some sort of business with a possible sports or international twist. I want to keep a diversified life and enjoy myself as I continue to live.

Eagle Project
