EAGLE PROJECT My project was the construction of a brick barbecue grill for the Exton Community Baptist Church. My project, as well as two other recent Eagle Scout projects (two picnic tables and a patio), will serve for recreational use for the church.

SCOUTING ACHIEVEMENTS SPL, PL, Troop Guide, Den Chief; 44 Merit Badges

FUTURE AMBITIONS In the future, I plan on attending college and studying either psychology or intelligence to pursue a career in the FBI's behavioral analysis unit. Other personal goals I have are to visit Argentina and Canada, as well as learn how to play an instrument.
