Troop 31

Project Hours 418.00

Board of Review 08/23/16

**EAGLE PROJECT** Custom built six benches for Willowdale Chapel's Clubhouse. The benches provide accessible seating to over 250 Kindergarten through fifth graders, their families, Clubhouse volunteers, and Willowdale Chapel's staff members on a weekly basis; as well as seating for special events such as Wipeout Camp, theme nights, meetings, conferences, and special functions held routinely throughout the year. Families waiting to drop off or pick up their children before or after Clubhouse programs now have a comfortable seating option rather than standing or sitting on the floor.

**SCOUTING ACHIEVEMENTS** Arrow of Light, World Conservation Award, Good Citizenship Award

**FUTURE AMBITIONS** Make the 2017 All American Team in the Amateur Trap Association (ATA). Attend West Point, obtain a BS in life sciences while a member of the West Point Skeet & Trap team. Serve 5 years and join the Medical Corp as a 2nd lieutenant. Attend Uniformed Services Univ of Health sciences and obtain an M.D./Ph.D. My ultimate goal would be to become an MD and serve in the Army.
