EAGLE PROJECT Built a horse bridge for Throncroft riding farm. Throncroft is Therapeutic horse training facility for disabled kids and adults and veterans. The bridge was designed for a sensory horse riding course. It's a simulated small bridge to give the disabled riders the feeling of going over a large bridge.

SCOUTING ACHIEVEMENTS SPL, Den Chief, Webelos Leader, QM, Historian, Librarian; OA; Chester County Good Citizenship Award, World Conservation Award

FUTURE AMBITIONS Finish high school, go to college for engineering, meet a nice woman, get married and have kids. Be a leader for the younger scouts and others.
