

# DAMIAN M POLSTON

Troop 23

Project Hours 25.00

Board of Review 05/24/16

**EAGLE PROJECT** My project was to build an exercise turf field for the Brandywine YMCA. The project was in memory of Jacinda Miller who was killed in a shooting while leaving the YMCA premises after work. The exercise benefits the Coatesville community by providing a new field for the health and welfare of children by promoting personal fitness.

**FUTURE AMBITIONS** I plan on going to community college for two years to complete my core classes before joining the military. Upon my Honorable discharge from the military career I plan on pursuing my dream of becoming a history teacher using the GI bill to pay for my college degree.

## Eagle Project
