

RYAN P WILLIAMS

Troop 55

Project Hours 34.00

Board of Review 09/12/16

EAGLE PROJECT My project was to construct a new trail at the M. John Johnson Nature Center in Downingtown. The beneficiary was East Bradford Township. The new natural trail connects the existing paved trail to Skelp Level Road. This trail is intended as a biking and hiking trail.

SCOUTING ACHIEVEMENTS OA; Den Chief Training, Troop Training, NYLT; Arrow of Light, World Conservation Award, NOA Camping Award

FUTURE AMBITIONS I plan to attend college (undecided right now as to where that will be). I would also like to participate in the ROTC program wherever I go. I plan to continue on to graduate school to earn a degree in law.

Eagle Project
