Board of Review 07/26/16

EAGLE PROJECT I led a project to perform maintenance at Shaw's Bridge Park. The project was composed of three parts: 1) We replaced an unsafe, broken handrail with a new and improved one. 2) We reburied the foundation of a grill, table, and bench. 3) We sanded harmful lichen off of 17 benches and tables.

SCOUTING ACHIEVEMENTS PL, APL, Scribe

FUTURE AMBITIONS I plan to attend BYU as a history major this fall. After attending college for a year, I will serve a 2-year religious mission.
