Board of Review

EAGLE PROJECT I created a documentary on the history of Kennett Square. It ran for 30 minutes and explored Native Americans living in the area, establishment of Pennsylvania and William Penn, and the foundation of Kennett Consolidated School (Kennett High School). My benefactor was the school student counselor, Mr. Francis Ryan.

SCOUTING ACHIEVEMENTS ASPL, PL, Scribe, QM, JASM; Venture Crew; OA; Silver Buckle

FUTURE AMBITIONS I plan to take a gap year between senior year of high school and freshman year of college to pursue Peace Corps work. For college I would like to get a Master of Fine Arts for Film or pursue astronomy/astrophysics.
