

# DAVID C CHERNA

Troop 83

Project Hours 259.10

Board of Review

**EAGLE PROJECT** I led the construction of 5 new, raised garden beds for the Montgomery School in Chester Springs. The area was cleaned and improved, the old, rotting garden beds were removed, and the fence around the garden was repaired.

The new garden beds were made of safe and durable materials and were put into place in time for Earth Day, which allowed each grade level to plant crops in their own garden beds. The produce harvested from these beds goes into students' lunches during the school year. All additional food from the garden beds is gleaned and sent to a local food bank to help those in need.

**SCOUTING ACHIEVEMENTS** PL, APL, Chaplain Aide, Librarian; OA Ordeal; NOAC; Triple Crown of National High Adventure Award, Jamboree 2013; Arrow of Light, Paul Bunyan Woodsman, Snorkel BSA, Recruiter Award

**FUTURE AMBITIONS** After graduating high school, I plan to continue my education through college and graduate school, pursuing degrees in aerospace engineering. I also hope to earn my pilot's license in the near future, while still finding time to feed my love of the outdoors and service.

## Eagle Project
