

GREGORY J KOBYLT

Troop 220

Project Hours 220.00

Board of Review 10/25/16

EAGLE PROJECT My work crew and I constructed two benches, planted one tree and seven bushes. We also restained a sign and painted in the lettering. We mulched in a tree bed, and planted some ferns there that were donated from the nursery we bought our shrubbery from. This was done for the people of the Arbordayle development, and the Uwchlan Township Parks Department.

SCOUTING ACHIEVEMENTS LNT Trainer, Den Chief, Chaplain Aide; LNT, Wilderness First Aid; Philmont; NOA-Camping Award and NOA-Hiking Award

FUTURE AMBITIONS My plans are to go to college and study history. After college, I want to continue my pursuit of a comedy career, and become a cast member on Saturday Night Live after performing standup comedy and improv at the Groundlings theater. One day become the host of a late night talk show, all while still doing standup comedy.

Eagle Project
