

ANTHONY M FARALLI

Troop 65

Project Hours 69.67

Board of Review 07/04/16

EAGLE PROJECT I ripped out old bushes at Saints Philip and James Church and then planted pachysandra in place. I needed to provide a nice a groundcover and Father Dieckhaus and I agreed pachysandra was good as it grows quickly and is a hardy plant.

SCOUTING ACHIEVEMENTS SPL, ASPL, APL, Troop Guide, Philmont Wilderness Guide

FUTURE AMBITIONS I am going to Temple University to study economics and after that I'm not entirely sure on what I plan today. I might join the Marines and at some point spend time running for political office but I am unsure about these plans.

Eagle Project
