

ETHAN J BILSON

Troop 78

Project Hours 90.50

Board of Review 01/31/16

EAGLE PROJECT For my Eagle Scout Project I made two portable A-frame kayak racks for the Great Valley Nature Center in Devault. These kayak racks could hold 20 boats in total and will be used to hold the nature center's watercraft for the Adventure Program.

SCOUTING ACHIEVEMENTS SPL, PL, QM, Scribe, Patrol QM; OA Brotherhood; Philmont, Algonquin Park; YPT, Hazardous Weather; Scout of the Year (2x)

FUTURE AMBITIONS My future will be very educational and scouting based. I plan on going to a state school, ideally Penn State or West Chester, and become an education and history major. After college I plan on becoming a high school or middle school history teacher remaining local to the Great Valley and Tredyffrin Easttown school districts. In the summer I plan on continuing to devote my time to Camp Horseshoe, becoming a director and possibly more in the future. I look forward to remaining an active part of my troop whenever possible as an adult.

Eagle Project
