Troop 45

Project Hours 210.25

Board of Review 09/23/16

**EAGLE PROJECT** I organized the building of a 12'x12' pea-gravel foundation patio and elevated brick-stone fire pit for my synagogue Congregation Or Shalom. I raised \$1,374 to purchase the materials and supplies needed. The patio and fire pit can be used by the synagogue, especially on Saturday evenings (once the sun goes down), not just for entertaining, social, and fundraising events, but also as a way to recruit new families to join the shul and to welcome those new families that have joined.

**SCOUTING ACHIEVEMENTS** ASPL (2x), PL (2x), Librarian; OA; ILST, NYLT; Arrow of Light, World Conservation Award, National Outdoor Camping Award, 33 Merit Badges

**FUTURE AMBITIONS** I am very interested in science and English, and plan to take many classes in these subjects in high school. I know I want to go to college and earn a degree. I am interested in working outside with animals or people. Two jobs that might interest me are being a veterinarian like my Uncle Mark or a park ranger. I want a job that keeps me on my feet and keeps me moving.
