

BRIAN T HENDERSON

Troop 23

Project Hours 258.00

Board of Review 02/23/16

EAGLE PROJECT The Superintendent of Springton Manor County Park suggested a compost park be built. I took a 6-hr Master Composter's class conducted by the Chester County Recycling Center. The center will use this as demonstration park to show 6 different ways of inexpensive backyard composting. Chester County Food Bank's greenhouses are located next to the site and will use it for compost. Springton Manor park visitors are able to view the site and gather more information.

SCOUTING ACHIEVEMENTS ASPL, PL, APL, Den Chief (3 years), NYLT Staff; OA Brotherhood, Line Leader; NYLT, NYLT Leadership Academy; Philmont

FUTURE AMBITIONS After graduating from Twin Valley HS, I plan to attend Lancaster County Career & Technology Center to earn my Large Animal science Certificate, Commercial Driver's License and Heavy Equipment Certificate. I want to work as a ranch hand and farmer. My goals include continuing my commitment to the Reading Chapter's Order of DeMolay, to become a Mason then to return to Philmont and be a wrangler. I want to continue my involvement with Scouts as a seader.
