

NICHOLAS K SZARY

Troop 50

Project Hours 104.50

Board of Review 04/22/16

EAGLE PROJECT I refurbished, repaired and upgraded an old donation storage room, The Giving Room, at Our Lady of the Assumption Church. The work included cleaning and painting the unfinished cement floor, installing a drop ceiling, lighting fixtures, building and installing custom shelves as well as organizing, collecting and sorting a donation drive. I provided leadership by planning and overseeing a team of individuals/scouts to complete the project. I also worked with the committee to ensure everything was correct.

SCOUTING ACHIEVEMENTS APL, Chaplain Aide, QM; Jamboree 2013

FUTURE AMBITIONS My plans are to attend college for a career in the professional world. I would also like to continue with and stay involved with scouting and community service in some way.

Eagle Project
