

ANDREW H JOHNSON

Troop 116

Project Hours 311.16

Board of Review 11/22/16

EAGLE PROJECT My project involved the removal of two mulch beds in front of Grace Covenant Evangelical Presbyterian Church and replacing them with two paved areas. Each area was paved with concrete pavers and a bench was installed on each of the areas to provide places to rest.

SCOUTING ACHIEVEMENTS ASPL; OA; NYLT; World Conservation Award

FUTURE AMBITIONS I plan to study materials science and engineering at Pennsylvania State University, and then either get a job in the workforce or continue my education and earn a doctorate degree.

Eagle Project
