

ERIC W LINDSAY

Troop 50

Project Hours 137.50

Board of Review 06/02/16

EAGLE PROJECT I lead a team of youth and adults to design and build an ADA-approved boardwalk over an environmentally protected wetland. My project benefitted the YMCA of the Upper Main Line. This project would allow visitors with disabilities in an all terrain wheelchair to use the boardwalk and see the nature and trails that the YMCA has to offer.

SCOUTING ACHIEVEMENTS SPL, JASM, HSR Staff; OA Vigil Candidate, Corresponding Secretary; NYLT; Philmont, Jamboree 2013; Chesimus Welihan Award, Devon 50 JB Rettew Award, Thomas Stilwell Jr. Plaque, Ellson-Whyte Advancement Trophy, Devon 50 Future Leader Award, Crawford Cup, Lenker-Flood Plaque

FUTURE AMBITIONS I plan on furthering my education, attending a college either up north, or down south. I have not finalized any plans of majors. But am thinking of either business or architecture. I would like to travel the world after college, and truly see all the world has to offer. I would like to eventually settle down out West of the United States, and have a family.

Eagle Project
