

RAVI K TATA

Troop 1

Project Hours 123.00

Board of Review 02/17/26

EAGLE PROJECT At the Medal of Honor Grove in Valley Forge, there are 52 sites dedicated to recipients from a state, plus US territories. I chose to do a rehabilitation of the New Mexico site, because it needed heavy brickwork and other refurbishing. I cleaned the monument, then took out all the bricks from the patio area surrounding the monument itself. We leveled the area using paver base, and put all the bricks back into place. I also had bench tops built for bench posts and we installed the wooden bench posts on top of the posts. We also dug out the posts and leveled them with paver base so that the benches wouldn't be askew.

SCOUTING ACHIEVEMENTS Scribe, Historian/Librarian; OA; Philmont; BSA National Certificate of Merit: Earned for treating and transporting a man that broke his foot out of the woods to the highway for 2.5 hours

FUTURE AMBITIONS I plan to go to college and then medical school, focusing on sports medicine. I want to help people get back to playing or doing whatever makes them happy, and I know what it feels like for an injury to hold one back.

Eagle Project
