EAGLE PROJECT I restored a small memorial area in the local baseball field complex (PECO Fields). The area was overgrown and many plants were dead. For many months I worked with fellow scouts and leaders to take out the existing vegetation and built a brand new landscaping wall with new mulch and flowers. Two memorials and a flagpole were moved into the area.

SCOUTING ACHIEVEMENTS PL; OA; ILST, NYLT; Sea Base, Okpik, Philmont; earned First Class in first year of Scouting; Five years at HSR

FUTURE AMBITIONS Beyond college, I would like to attend dental school in order to become an orthodontist. I would also like to travel and move to the West.
