

CLAYTON W KOVATCH

Troop 8

Project Hours 155.00

Board of Review 03/15/16

EAGLE PROJECT I built six flowerbeds at Windsor Christian Academy/Preschool. The purpose of the beds is for the students to grow different fruits and vegetables and learn how to plant and grow.

SCOUTING ACHIEVEMENTS PL; OA Brotherhood; Sea Base, Jamboree, Philmont

FUTURE AMBITIONS As graduation grows closer, I need to begin to focus more on my plans. Although in the past I was heavily set on joining the Air Force, I am leaning much more towards the business pathway and working towards doing what I love. I would love to be involved with cars anyway possible and hope to take over my father's company one day.

Eagle Project
