

PHILIP BUSSIEK

Troop 220

Project Hours 57.25

Board of Review 05/24/16

EAGLE PROJECT I built a gaga pit for Uwchlan Hills Elementary School. I constructed a large 20' x 20' platform out of composite decking and pressure treated lumber. The next step was assembling the pit. It was purchased from Coach Cliff. This was a three-day project. This Gaga pit will be used by the kids during their recess and gym classes. It will also be used by the community for entertainment and exercise.

SCOUTING ACHIEVEMENTS PL, QM, Den Chief; OA Brotherhood; NYLT; Sea Base, Jamboree, Northern Tier, NOAC; World Conservation Award

FUTURE AMBITIONS I plan on going to a 4-year college and then going on to graduate school. I plan on studying marine biology and becoming a veterinarian. I also plan on earning my International Baccalaureate diploma in high school.

Eagle Project
