

JONATHAN F ROTH

Troop 6

Project Hours 211.00

Board of Review 09/21/16

EAGLE PROJECT I organized the planting of 300 trees and 100 shrubs along the headwaters of the Brandywine River. The planting restored a Riparian Buffer which will protect the health of this critical zone. I worked with the Brandywine Red Clay Alliance.

SCOUTING ACHIEVEMENTS Troop Guide, HSR CIT; OA Ordeal; CPR; Sea Base

FUTURE AMBITIONS I will attend Rochester Institute of Technology and study computer science. I hope to have a career that enables me to positively impact the world. I plan to remain active in my community and my troop.
