

GAVIN R LINN

Troop 6

Project Hours 43.00

Board of Review 10/22/16

EAGLE PROJECT My project was to build a kiosk for East Bradford Township to allow them to post rules and events at the East Bradford Park (Kenmara). It is a busy park where they have sports events, local concerts, and other events and now they will be able to update the bulletin board on the kiosk to show everyone what is happening. It will help everyone that uses the park.

SCOUTING ACHIEVEMENTS ASPL, Troop Guide, QM, Historian, OA Rep; OA Brotherhood; Philmont, Boundary Waters, Sea Base; Good Citizen Award, Mile Swim

FUTURE AMBITIONS I plan on going to college next year. I have visited a few schools but I have not decided which college I am attending. I plan to major in engineering. At this time, I think I will focus on mechanical engineering. While at college, I hope to have an internship or co-op so that I get work experience.
