EAGLE PROJECT My project was to clean and restore the memorial garden at Radnor Friends Meeting House. I removed all the unwanted plants and shrubs, planted new plants and cleaned up the brick porch. I also added a brick sided pathway and mulched the entire garden.

SCOUTING ACHIEVEMENTS ASPL, PL, APL, Den Chief; Den Chief Training, CPR; Sea Base (2x), Kanderstag; Scout of the Year 2010

FUTURE AMBITIONS My plans are to go to college and major in technical theatre and minor in business. After that I would like to go and work for a theatre company and eventually start my own. I would like to be able to choose when I work and who I work with, rather than being forced to do so. I would also like to travel the world and see as much as I can in my lifetime.
