Project Hours 51.00

Board of Review 10/25/16

**EAGLE PROJECT** I installed a flag burning ceremony pit at the Veterans of Foreign Affairs Hall in Downingtown. It was installed for the purpose of allowing service members to hold their own ceremonies or allowing other scout troop to hold ceremonies there as well. The objective is to involve people in respecting our nation's tradition of correcting retiring our flags.

**SCOUTING ACHIEVEMENTS** PL, LNT Guide; OA; Jamboree 2013, Sea Base

**FUTURE AMBITIONS** As of this year I am graduating high school, and I plan on going to college down in the South. In college, I'm interest in international business. One personal goal is to travel internationally and experience many of the world's cultures.
