

MASSIMO G DiDARIO

Troop 181

Project Hours 127.29

Board of Review 10/20/16

EAGLE PROJECT I built a 10'x10' meditation/waiting outdoor patio at the Surrey Services facility in Devon. Surrey Services is a nonprofit organization that offers activities, services, and transportation to the elderly community. Their mission is "to help older adults live at home with independence and dignity and to continue as active members of the community." They are a very helpful organization that provides many useful services to those who need it. They expressed a need for a place for their clients to sit comfortably while waiting for transportation, as well as a place to sit and enjoy the outdoors.

SCOUTING ACHIEVEMENTS SPL, ASPL, PL (3x), APL; OA; Philmont; JYLT, NYLT

FUTURE AMBITIONS I intend to enroll in 4-year college in order to prepare for my career. From there I would like to get in a career involving either medicine or government. I also plan to continue participating in Scouting as a junior adult leader.

Eagle Project
