Project Hours 81.00

Board of Review 06/27/16

**EAGLE PROJECT** I installed a reflection garden at the Penningtonville Presbyterian Church in Atglen. The garden included a stone bench, which we assembled and put in place. The bench itself was dedicated to Mr. Timothy Morris, former Scoutmaster of Troop 20, before passing away unexpectedly in April 2014. My project was dedicated to him.

**SCOUTING ACHIEVEMENTS** PL, Historian; OA; CPR; Philmont (Scribe)

**FUTURE AMBITIONS** My plans include going to a 4-year university, and earning my athletic training degree. I'm going to Florida Gulf Coast University in the fall of 2016 to start my life after high school. Once I graduate I will live in Fort Myers, Florida and get involved in athletic training.
