Eagle Project To encourage proper respect for the American flag and to provide for the disposal of old, worn, and damaged flags in a dignified manner. Many people in the community have flags that are no longer serviceable and don't know what to do with them. American flags were collected from citizens and organizations in the local community. The flags were properly prepared and retired with honor and respect at a flag retirement ceremony.

Future Ambitions: After graduating from high school, I plan to attend college and major in business with a minor in engineering. Following college, I'd like to be an entrepreneur and start my own business. I want to stay active in soccer, lacrosse and Scouting. Hopefully, someday I will have the opportunity to pass on my experiences and skills to my children.
