Board of Review 8/3/2017

Eagle Project I designed and then created a 5k course for permanent public use at Okehocking Preserve. People will follow purple discs with arrows pointing them in the correct direction. The purple arrowed discs will be screwed into trees and 17 4x4x8 ft posts that I installed when there were no trees around. I also installed 3-4'x4'x6' posts for marking the start and finish of the 5k course. At the start, there will be a map of the course.
