Board of Review 9/3/2017

Eagle Project My project was completed at Ware Presbyterian Village, an assisted living home in Oxford. I remodeled a conference room and hallway inside of the facility by removing wallpaper, fixing damaged walls, painting and hanging things.

Scouting Achievements PL, QM, Librarian, BSA Lifeguard; CPR, First Aid; OA

Future Ambitions: I plan to attend Harcum College for dental hygiene. I would like to keep racing motor cycles and obtain my pro card. Lastly I hope get a good job and find a partner to start a family and give back to my community.
