

# Timothy J Coggins

Troop 66

Project Hours 128

Board of Review 4/13/2017

**Eagle Project** I built a bookcase to replace an armoire in the main lobby on Safe Harbor. It provides more space for lunch-ins and it is easier to access its computer for online applications or games.

**Scouting Achievements** SPL, PL, Historian, Chaplain Aide; NYLT; OA Ordeal

**Future Ambitions:** I'm visiting colleges for computer and environmental science. Unfortunately I am undecided and still have Senior year to push through. I enjoy many activities in Scouting and would like to stay with my Troop even after I turn 18.

## Eagle Project
