

Zachary H Powell

Troop 24

Project Hours 265

Board of Review 12/4/2017

Eagle Project A food drive benefiting the Kennett Food Cupboard, and the event was a variety show where many of my friends and teachers performed music, poetry, and dance. The four-hour show was designed so people could come and go as they please, with places to sit and light refreshments. There was a table for food donations outside the entrance at the Kennett Square Veterans of Foreign Wars Post #5467. The drive raised a total of 1,016 pounds of food.

Scouting Achievements

SPL, ASPL, Scribe, PL, QM, JASM

Future Ambitions: I plan on attending a university as a guitarist, and to study music theory, music composition, and creative writing for novels, theater, and film. I plan on writing books and movies, as well as composing both classical and rock music. My hope is that I can use all of these things to have multiple sources of income (a rock band, orchestral works, movies, and books). I will strive to serve people as much as I can, whether participating in service projects or giving to charity, using what I know to help people. As an Eagle Scout, I will pledge my life to the service of others.
