**Eagle Project** This project was to build two toy boxes and hold a toy drive for Family Promise of Southern Chester County. Family Promise works to alleviate homelessness in Southern Chester County. The toy boxes will be used at the Family Promise location and the toys will be used to benefit the families that use the services of Southern Chester County.

**Scouting Achievements** ASPL, Bugler; COPE

**Future Ambitions:** I have a lot of things I want to do in life, but I have not chosen an exact career yet. I plan to go to college to further my education. I hope to attend a four-year college and am looking at West Chester, Shippensburg and Holy Family. I am possibly interested in a career in the health sciences field.
