

# Carter P Miller

Troop 50

Project Hours 91

Board of Review 6/5/2017

**Eagle Project** I constructed a brick pathway at Surrey Senior Services in Devon. Surrey is a non-profit organization that helps senior citizens get more active and involved in activities that they enjoy doing in the community. The pathway will have a positive impact on the senior citizens that go there because it will make the area more easily accessible to different parts of the grounds.

**Scouting Achievements** SPL, ASPL, PL, Den Chief, Troop Guide, Lodge Treasurer, Lodge Vice Chief, HSR Camp staff; OA Brotherhood; HSR staff Member of the Year 2016, Lenker Flood Award

**Future Ambitions:** Go to college for a science field, get a teaching degree and become a teacher.

## Eagle Project
