

# Michael A Zuba

Troop 20

Project Hours 86

Board of Review 7/10/2017

**Eagle Project** My church needed to move the maintenance shed, and they wanted to put it on a hill. My project was to build a retaining wall, level the location and move the 12'x24' shed into its new location. The church I did this for is East Brandywine Baptist.

## Scouting Achievements

PL; CPR; OA Ordeal; Camp Rodney

**Future Ambitions:** I will be attending a tech school to be a diesel technician. I plan to pursue this career in order to make a good living, support a wife and kids, and buy a home.

## Eagle Project
