

# Jake A Kalscheur

Troop 53

Project Hours 304

Board of Review 5/15/2017

**Eagle Project** Constructed dugout covers for the KAU Little League T-ball field in Kennett Square. Project included digging holes, setting posts with concrete, constructing beams and rafters, attaching corrugated metal roof. These covers provide protection to players and improved the complex.

**Scouting Achievements** SPL, ASPL, Den Chief, Historian; NYLT; Silver Buckle

**Future Ambitions:** I plan to attend a 4-year university and hope to apply science to the real world as a career. My major will most likely be chemical engineering. I would love to make a positive impact on the world and help others through my work.

## Eagle Project
