

Eric R Ohrn

Troop 51

Project Hours 196

Board of Review 6/27/2017

Eagle Project I cleared and mulched a trail behind Collegium Charter School that had to be extended and refurbished. The trail will provide safer and more aesthetically pleasing access to the outdoor classroom, as well as serve as a space for the athletic and science departments of the school.

Scouting Achievements ASPL, PL, APL, Troop Guide; NYLT; OA Brotherhood; Sea Base

Future Ambitions: I have been accepted to and committed to the University of Central Florida. I hope to study acting and/or film production. I want to spend some time living in Japan after school.
