

# Charles J McClure

Troop 31

Project Hours 369

Board of Review 9/7/2017

**Eagle Project** Constructed two 3-ton compost bins and two soil sifters for the Family & Consumer Science (FCS) Gardens at Charles F. Patton Middle School. The purpose was to improve the sustainability of the gardens by composting the garden waste rather than throwing it in the garbage. The compost bins were included in the school's application for the Green Ribbon Award from the US Department of Education and Patton was the first school in PA to receive to receive this award. The gardens are an integral part of the FCS Program and provide fresh produce for the Kennett Food Cupboard.

**Scouting Achievements** PL, Den Chief, Troop Guide, Oakbourne Cub Scout Day Camp Counselor (2011-15); OA Brotherhood; Sea Base

**Future Ambitions:** I plan to attend a 4-year college and major in musical theater. I hope to work on stage or screen and someday get married and have children. I plan to continue giving service to my community wherever my career takes me.

## Eagle Project
