**Eagle Project** I constructed two signs, one a map of the fields and one a welcome sign for the West Chester United Soccer Club at Delacy Soccer Complex. I also memorialized a 350 year old Sycamore tree that stood at the park for the East Bradford Township.

**Scouting Achievements** NYLT staff, NYLT Leadership Academy; OA Brotherhood; Boundary Waters, Florida Sea Base, Philmont; World Conservation Award, Silver Buckle

**Future Ambitions:** I plan on going on to attend college and possibly grad school after I graduate from high school. I also am tentatively planning on majoring in economics.
