Eagle Project I created an audiobook library for Richard Wright Elementary School in North Philadelphia. I donated 8 audio CD players with headphones, 19 different book titles, with 8 copies of each title. The books were chosen from the public domain to fit with topics from the reading curriculum. I also modified a cabinet to be used as a permanent storage to store all of the books, CDs, and players..

Scouting Achievements QM, ASPL, SPL, HSR CIT; Cyber Chip, ILST, NYLT; OA Brotherhood; Maine High Adventure, Bahamas Sea Base, 2017 National Jamboree; National Outdoor Award - Camping, World Conservation Award, BSA Snorkeling Award, Firem'n Chit, Silver Buckle

Future Ambitions: I plan to complete high school and go to college. My intended major is computer security. I hope to complete a master's degree program following my undergraduate.
