Eagle Project We constructed and installed four benches for my local church. Two benches are outside the front doors of the church and the other two benches are by a statue of the Virgin Mary so people can sit and pray by the statue.

Future Ambitions: I plan to go to college, study film and eventually end up writing or producing movies. I hope to stay involved in my religion and have my kids join Scouts. My biggest dream is to be a part of a Star Wars film in some way.
