Project Hours 205

Board of Review 12/5/2017

Eagle Project I built two circular picnic benches in the outside eating area where the seniors at Collegium Charter School can eat lunch, because the picnic benches were falling apart

Scouting Achievements PL, HSR CIT and staff; NYLT; OA Brotherhood

Future Ambitions: After high school, I am planning to take two years at Delaware Community College and get the traditional classes there, and then go to a university and study environmental biology.
